## PROJECT DETAILS

### **Description**

*What's the image for? Is there a particular style you'd like?*

### **Size of Image**

*If digital only, how many pixels should it be? If you want a print, how big should the finished print be?*

### **Use of Image**

*Book, magazine, website, personal use, etc...*

### **Colour**

*Is there a particular colour scheme you'd like? How many colours do you want the finished image to have (black-and-white, four colours, full-colour?)*

### **Deadline**

*Rush fee applies to any images due in less than four days. Also please keep in mind complicated images will likely need time for revisions, and prints can take several weeks for delivery.*

### **Other Details**

*Prefer a medium other than digital? Want a frame to go along with your print?*
